Michigan State  
Capitol Building

**B**ecause you care about Michigan's youngest learners, you will want to be at the State Capitol in Lansing for the fourth annual Star Power event.

Michigan's early childhood community – parents, doctors, child care workers, educators, business leaders, and of course many of our youngest learners, among others – will celebrate the importance of early childhood investment. We will commemorate Star Power by recognizing champions who are making a difference in the early childhood community, enjoy outdoor family activities and most importantly, meet with state legislators to talk about the significance of building an early childhood system for all Michigan's children.

**BE THERE MAY 19, 2010 BECAUSE EARLY CHILDHOOD IS THE SMARTEST INVESTMENT IN MICHIGAN.**

Online registration is open at [www.greatstartforkids.org/star-power](http://www.greatstartforkids.org/star-power)
